Discussion (Including relationship to other Council actions)

18 November 1985 - Public Hearing

Staff Secretary for the Plan Commission stated that this vacation was originally applied for along with a portion of Webster Street in 1984. The legal description that was placed in the newspapers at that time omitted the description of the alley, the error was discovered recently by Street Engineering. In order to make the vacation legal it is required by State law that the legal be published in the paper. It was stated that by republishing this alley vacation and holding a public hearing it would clear up the paperwork.

There was no one present who wished to speak in favor of or in opposition to the proposed vacation.

25 November 1985 - Business Meeting

Of the 7 members present 6 voted in favor of vacating the alley one did not vote. Motion to vacate carried.
